

# NAPA INSTITUTE™

## Faith & Business Conference

October 14 - 15, 2025 | Metropolitan Club New York

## Wisdom Ancient and New The Promise & Perils of AI

Will AI serve the common good? How should Christians respond to this rapidly advancing technology? Join us as we explore AI through the lens of faith, reason, and human dignity—answering Pope Leo XIV's call to discernment and action in this new technological age.
