

THE IMPACTS OF A CLOTHING DRIVE

Campus clothing drives are more than just an easy way to declutter your closet, there are many more benefits to this simple task. A clothing drive gives us the opportunity to make a positive impact on the environment, community, and the economy. Whether or not you're donating to an on campus clothing drive, helping administrate the clothing drive, you are providing a number of benefits that extend past just giving used clothes away.

1

Environmental

Reduces textile wastes, conserves water, and reduces carbon emissions

2

Community

Donating to those less fortunate within your community promotes growth and community.

3

Economy

Creates more job opportunities, support for local businesses, and tax benefits

4

Personal

Helps prioritize decluttering and purging accumulated items you no longer wear

Catholic U Clothing drive will take place on Monday, March 17th and will last until Sunday, March 23rd. There will be bins placed around campus for participants to drop off clothing in. We welcome a variety of clothes in all different sizes, occasions, styles, and anything participants are looking to give a new home.
